Finishing touches

Our finishing touches

Decorating our venue for your wedding is a great opportunity to personalise your special day.

From a rustic natural theme to a glamorous contemporary one, we have a wide range of finishing touches to compliment your ideas.

Our finishing touches range from tableware to outdoor décor, including chair sashes, table runners, floral arrangements, archways and much more. Our decorations allow you to create your own vision by complimenting your bespoke theme.

Whatever style you have dreamt of, our wedding co-ordinators will help to make it a reality by dressing our rooms at Manor Hill House to your individual specifications.

Please continue reading to find out the finishing touches we include with our compliments within the exclusive use event hire and those that we charge as additional add ons.

Finishing touches

Included with our compliments.

We have some fabulous décor which is available at no extra charge for you to take advantage of with our compliments. The prices shown below are just an indicator to what you would save having them included in your venue hire.
