

MANOR HILL

A unique wedding venue nestling in the beautiful Worcestershire countryside

“We could not have dreamt of a better day. The grounds are so so beautiful and being able to get married outside was the cherry on top of the cake (or strawberry in our case). The venue was everything we had ever wished for. On the day the staff were so helpful, friendly and organised. Also, the food was incredible. Every guest said it was the best wedding food they had ever had!”

MARQUEE

The perfect way to make the most of the scenery and bring the outdoors inside

We are very proud of our permanent standing marquee with its elegant chandeliers, swagged walls and fully carpeted solid floor. Standing at 3 metres tall, the clear windows allow the sun to stream into the marquee. In the summer, several panels can be opened to allow direct access to the gardens. Alternatively, for a winter wedding we have insulation panels and an efficient heating system to make it snug and cosy. The marquee is attached to the house and its facilities, making it feel like the perfect extension.

Our marquee can seat 140 guests for an elegant sit down meal. For a more intimate wedding breakfast we have a partition that we can move backwards and forwards to make the space more suitable. When the time comes to put on your dancing shoes, we can transform the space with our beautiful dancefloor, variable colour uplighters, and ivory drapes to create a perfect party atmosphere.

We are passionate about cooking mouthwatering recipes using locally sourced, fresh produce of the highest quality

We understand food is an important aspect for your wedding day. Whether you are a foodie or not, your wedding breakfast is your first meal as a married couple, surrounded by those you love. Our talented chef will sit down with you and the events team to discuss all the options best suited to your taste and vision for the day. Our aim is to create a menu that you and all of your guests will enjoy and remember. Options range from a choice of delicious canapés, an elegant sit-down meal, an afternoon tea, rustic BBQ and much more.

Where guests have special dietary needs, we will produce food specifically for them ensuring that they, like all of your party, have a truly great dining experience.
