

MANOR HILL

Manor Hill House catering offers modern cuisine of exceptional quality

Our menus are designed to create a fine food dining experience, whilst offering a wide range of choices to suit every palate.

Working with the best quality ingredients, we use local suppliers and seasonal produce wherever possible. The food is served with a modern twist and offers outstanding value.

Our chefs pride themselves on working closely with you and the events team to craft the perfect menu that will make your event memorable.

Our policy is that we cater for 100% of guests.

We love inviting couples in to plan their menus, usually 6-9 months ahead of their wedding day. They meet our chef, try some delicious canapés and begin the exciting process of planning their bespoke food. This is a great time to let the chef know about your favourite dishes, different ideas and personalise your menu.

Remember - the dishes for your day do not need to come from our menus, so please be creative and have fun.

Happy dining!

The Manor Hill House Catering Team

Eating away from home is perhaps the biggest challenge facing people with special dietary requirements. We can also cater for intolerances and allergies. “We honestly can’t thank the Manor Hill House team enough for everything, from start to finish they’ve been amazing and made our day perfect.
