We are proud of the quality of our marquee, which features a solid carpeted floor, elegant chandeliers, and swagged walls. With three-metre high eaves and large clear windows, the space stays light and airy throughout the day.

In the summer, several panels can be opened to provide direct access to the gardens. For winter weddings, the marquee is fully insulated and heated to ensure a warm and inviting atmosphere.

**“A fantastic team at MHH, we had support throughout our wedding planning period and no question was ever dismissed. Our menu was vegan and we had such a massive choice! We ended up having a Mediterranean family serve style meal for our wedding breakfast with vine leaves, fresh breads, vegan chorizo with spinach and more. Our evening meal was the pizza over...Amazing! We felt right at home and everyone was so friendly. We honestly had the best day ever! Everything ran so smoothly, it was perfect.”**
